Sir,

Subject:- Continuance of the Drainage Sub Division attached to City Improvement Trust Board.

Adverting to Government Order No.L.2725-30/I.F.B. 13-54-13 dated 14/16th June 1954, according sanction for the continuance of the marginally noted staff for a period of two years from 1-4-56, I write to state that this establishment was sanctioned in connection with the execution of the Comprehensive Drainage Scheme which has now practically come to a close and the staff is now actively engaged in the execution of Under-ground Drainage Works taken up in the several layouts formed by the Board. The works are in progress in Jayanagar Extension, Kumarapark, Jayamahal, Industrial Suburb (Housing Area) and in Vasanthanagar and works to the extent of Rs.4/- to 5/- lakhs have to be carried out during the next two years before the layouts could be regarded a complete in all respects.

Plg "R" of Checkmarks.

1. Assistant Engineer.
2. One Surveyor.
3. Five Suboverseers.
4. One Draftsman.
5. One Clerk.
6. Two Accounts Clerks.
7. Peons Two.

There are only two Sub Divisions--One for the Southern Range and one for the Northern Range and it will be absolutely necessary to continue the present Drainage Establishment for a further period of two years from 1-4-56 as the Board has taken up further schemes and it will be practically impossible to execute them without the requisite establishment. The details have to be worked out for the disposal of sewage at Koramangala Kaycox outfall. The laying of main sewer from the Nagadi

P.T.O.

Valley up to Kenchenahalli and treatment works at Kenchenahalli for which a Comprehensive Estimate for Rs.22/- lakhs has been submitted to Government, have to be taken up for execution on a priority basis at least during the latter part of the next year. Government have directed five more 'B' type quarters for Ministers and 11 Twin Type Quarters for the Staff have to be taken up in Jayamahal during the current year and the staff will be required for supervision of this work. In addition to this layout works, Slum Clearance Schemes in Jabbar Block, Guttahalli and in the area behind Ramakrishna Mutt have to be taken up. The construction of 300 Tenemental Quarters--100 at Jabbar Block, 100 at Sampigehalli and 100 at Ramakrishna Mutt area are also to be completed during the year 1956-57. The construction of the Vokkaligara General Sangha Hostel and Quarters for the Hospital Staff in the Vacant land opposite to Sharada Stree Samaja are the other two important works that are proposed to be taken up during the year 56-57. The total value of all these works will work out to Rs.20/- lakhs and the programme the Board is contemplating during the year will be exceptionally heavy and it will be impossible to execute these works without the necessary staff. It will be necessary to continue the Drainage Section with the full complement for the next two years in view of the circumstances stated above.

Hence I request that the sanction of Government may kindly be obtained for continuing the Drainage Section noted above in the margin for a period of two years from 1-4-56 and communicated to this Office very early.

Yours faithfully,

(B.V. Lankappa)
Chairman.
